

Carrollton Baptist Association

From Your Associational Missionary

When you receive this newsletter, Children's Camp at Rockridge will be over. We had the largest group of campers in several years—103, and they have been kept busy with Bible studies, crafts, recreation, music, and many other activities throughout the week. They have enjoyed swimming, fishing, canoeing, paddle boating, hiking, playing archery tag, gaga ball, and working together on the ropes course. I think you can tell everyone had a great time.

I am thankful for Jody and Jennifer Thrower and their great staff at Rockridge. They prepared some great meals for our campers and leaders and they worked hard to ensure the boys and girls had a wonderful experience at camp. They definitely went the extra mile. I am also grateful for Justin Richards, Camp Pastor, and Angie Presnal, Camp Director, for the time and effort they have put into the week to help make the camp run

very smoothly. Justin not only put the Bible study together, and wrote the materials, but also designed the camp t-shirt and worked closely with our worship leader. Angie recruited all the team leaders and their assistants and also planned the week making sure everything was in place. It's been a joy working with them on this special week for our boys and girls.

I also want to list the others who have been a tremendous help. They have demonstrated God's love and deserve our thanks and appreciation.

Baptist Collegiate Ministries

Summer is always a special time. I have incredible memories of the fun that we had during the summer when I was a child. I also remember that I had my first opportunity to be a paid minister during one summer when I was in college. My Pastor saw something in me that I didn't see in myself and asked me to be the summer youth worker. At first, I was confident that I would be able to do the job, but as the summer came closer I began to panic. When all was said and done it turned out to be a great summer! Right now thousands of College students are out somewhere in the world serving Jesus by serving others. These incredible students who have chosen to serve this summer will one day be the future leaders of the Church. Please pray for them! Pray that God would protect them and help their mission be successful.

Summer Oppottunities

I hope you all are having a good summer. We have opportunities to reach others this summer as we share about Jesus in our Vacation Bible Schools in our churches. It can be a tiring week, but very rewarding. During our VBS, our children and the church can give to a wonderful mission project. Last year we collected money for the Gospel of John to be translated for an unreached people group. This year we are wanting to do the same thing for another people group. We are working with the Seed Company to translate the Gospel of John for the Sauta People of Asia. Thank you for giving and praying for this amazing

project.

During July we will be collecting items for the Georgia Baptist Children’s Home. This is something our association participates in each year. We hope your church will be able to help us this year. Items being collected include: Velveeta Cheese, canned tomatoes, tortilla chips, canned mandarin oranges, and sugar. Gift cards are always appreciated. This is one way we can show our love and appreciation to them. Please bring items to the associational office by July 22. The truck will be loaded the morning of the 23rd.

Please make plans to prayerwalk schools in your communities at the end of July or early August. Your prayers can make a difference for staff members, students, bus drivers, and parents. You might also collect school supplies to give to the school. You might even put some new backpacks together full of supplies for children in your churches or to donate. You may want to provide snacks for staff members one day during preplanning or sometime throughout the year.

Thanks for all you do,
Keri Perkins

**2019 Associational VBS Project—
Adopt A Verse**

As we did last year, our association will be working with the *Seed Company* to translate the Gospel of John into a language of an unreached people group who has no Bible in their language. This year we have adopted the Sauta People of Asia.

High mountain peaks, windswept plains and wide-open grasslands characterize the Sauta homeland. Its beauty declares God’s glory, but few Sauta speakers worship the true Creator. Scripture in Sauta will equip ministry workers with tools to spread the Good News of freedom, hope and joy through salvation in Jesus Christ. Please let Brother Dan know how much you collected for the project. Last year we exceeded our goal!
