

Carrollton Baptist Association -Striving to be an Acts 1:8 Association

May, 2010

From Your Associational Missionary...

We recently received information from the Georgia Baptist Convention recognizing churches in our association who led the way in baptisms and giving to the Cooperative Program in 2009. Each church will receive a certificate from the GBC for a job well done. I appreciate these churches leading the way for our association in making an impact on our world.

- Midway Macedonia—most Baptisms
- Unity—most baptisms per resident member
- Mt. Pleasant—leading contributor through the Cooperative Program
- Rocky Mount—leading contributor per resident members through the Cooperative Program.
- Flat Rock—largest percentage contributor through the Cooperative Program

Last week I received a letter from Dr. Tim Smith, Sunday School & Open Group Specialist of the GBC recognizing four(4) of our

churches as being one of the Georgia Baptist Convention's Fastest Growing Sunday Schools between the years of 2006 and 2009. There were 100 churches recognized in our state and our association had four of them. Congratulations are definitely in order for their hard work. I have listed the church and the size it was recognized in:

- Harmony—Intermediate (101-199)
- Peachtree Community—Medium(200-399)
- Mt. Pleasant—Large (400-699)
- Midway Macedonia—Mega (700 or more)

Project Pray is just around the corner—May 3rd-6th. Last year 49 of our 51 churches were involved in this “week of prayer” praying for our schools, firemen & police officers, government officials, churches in our communities, our nation and world. We received many thank you notes last year thanking us for the goodies that

were brought and the prayers that were lifted up. It definitely made a difference in our community and I believe it will again this year. Thank you already for your involvement.

Family Fun Day at Rockridge is Saturday, May 15th, from ten (10) until four (4). Our Family Ministries Team is planning a fun filled day for you and your family and I hope you are already making plans to come enjoy the day. Lunch will be served (\$5.00 per person or \$15.00 per family) which will consist of hamburgers and hot dogs and all the trimmings. So mark your calendar and come join us.

Speaking of Rockridge—Children's Camp at Rockridge is June 28th through July 1st. Justin Richards (Camp Pastor) and Angie Presnel (Camp Director) are planning a wonderful week for the boys and girls ages 9-12 or grades 4-6 so I hope you encourage & sign up many from your church for this special week. Cost is still only \$115 & registration begins Monday, May 10th.

From the WMU.....

Spring has finally arrived with all it's beauty and with spring always comes our annual Georgia WMU meeting. We met this past Friday and Saturday, the 16th & 17th at FBC Douglasville. Ladies from three of our churches attended and were challenged to do more in the way of missions and to not just survive but to thrive! How do you thrive in the Lord's work? By spending time one on one with the Lord in our quiet time, reading the scriptures, and being still before Him. When we take time to listen to Him and through the leadership of the Holy Spirit we know what His will is for our lives. Try it—it will work!

Our Project Help—WMU's Critical Issue for 2010-2012 is Human Exploitation. This may be a new term for some so I want to give you a

definition. Human Exploitation is defined as the unethical, selfish use of human beings for the satisfaction of personal desire and/or profitable advantage.

Fact: There is more adult prostitution and commercially, sexually exploited children in Atlanta than any other city in the US. Reported Monday, April 12, 2010-www.myfoxatlanta.com/dpp/news. This is an alarming fact and the question is, "Where are our churches?" Are we ready to join the fight to put a **STOP** to Human Exploitation in Georgia? These children are not from other countries, they are our children. What can we do?

First: We need to pray and ask God to give us a burden for all the people involved. We need to educate ourselves on the truth and a good web site for this is: www.streetgrace.org. Please visit this web site and you will be shocked at

some of the stories you read there. They have used the word Grace and the letters to define their purpose: G-Galvanizing, R-resources, A-against, C-child, E-exploitation. Finally we need to engage in mentoring at-risk children and hopefully preventing them from becoming victims. This is a serious matter and yes, it could happen to our children and our grandchildren. Please begin to pray for WMU as they lead out in churches to stop this horrible crime against our children.

Please put August 21, 2010 on your calendars for our annual WMU training which will be held at First Baptist Church in Bremen. This is a regional training and we will have two other associations joining us.

Thanks for all you do for missions and keep up the good work.
