

# Carrollton Baptist Association

From Your Associational Missionary

In the past few months since the storms hit south Georgia, we have had several teams of volunteers go down to help with clean up and have also sent funds to help in another location. I want to share two letters of thanks from associational missionaries in these areas. One is from James Holloway from Bethel Association (Blakely area) and one is from John Paul Hasick from Grady Association (Cairo area).

Dear Brother Dan: I just wanted to thank you once again for the wonderful volunteers from the Carrollton Association who have traveled down to SW Georgia to help us with our Hurricane Michael clean up and recovery efforts. I understand that the team (led by Bro. Chuck Griffith) was from several different churches in your association. They did a great job and were able to help us complete clean up at seven more sites. These folks, along with the two earlier teams from Oak Grove Church, accounted

for a total of 14 chainsaw and heavy equipment jobs completed by CBA volunteers.

These servants truly embodied the love of Christ, and they were great witnesses for Him during their days among us. Because many volunteers like these have given selflessly of their time and energy, many families here in Southwest Georgia have been drawn closer to the Lord.

God Bless You for Your Missionary Leadership, my Brother, James Holloway, Associational Missionary

Dan, You and your Association's quick response to our need here in Cairo was simply fantastic! Our community is extremely grateful for your prayers and financial help. Thank you for being the hands and feet of Jesus wherever and whenever God prompts.

Blessings, John Paul Hasick, Associational Missionary, Grady Association

I just want to echo these two

men and say thanks to all who have gone and all who have given to meet the needs of folks in South Georgia. It's great to be a part of an association that cares so much for others.

I hope you are making plans for your child/children to attend Rockridge Children's Camp on June 24th-27th. This is the week our association has 4th-6th graders or children ages 9-12 attend camp at Rockridge and participate in events planned just for them. It is always an incredible week and we always see several boys and girls make decisions for Christ. You will see more details on page 3.

On April 5th, I celebrated my 20th anniversary as your Associational Missionary. It's hard to believe that 20 years have passed so quickly. God has done some incredible things during those years and I am grateful for your fellowship and partnership. We have come to understand that we can do so much more together. I look forward to the years ahead as we continue to serve Him!

### Baptist Collegiate Ministries

Spring, despite of all of the pollen, is always an exciting time of the year for our ministry. This is the time of the year when we select new leaders and begin planning for our next year of ministry. As I am writing this letter we are in the midst of selecting our new leadership. Please pray for us as we make these important decisions! Please also pray for our students as they finish up the semester and their finals. After finals are over we will travel to do our leadership retreat. At the retreat we will pray, worship, evaluate, and plan together. Please pray that God would give us His heart in our planning!

Spring is also a sad time in our ministry. It is the time when we say goodbye to some of our brightest and best students. We have a big group of students who are graduating this spring or summer. That is a big and talented group for our ministry to lose. Please pray that our ministry would be able to overcome the loss of some great leaders, and please pray for these graduates that God would guide and use them in the next steps in their lives.

God Bless, Bill

### From the WMU

I enjoy teaching Mission Friends. I am always excited to see the young children remember our missionaries we talk about each week. They can sometimes remember where the missionaries live and are always interested in finding the places on the map where the missionaries are serving. The children have an opportunity to learn about people around the world. We talk about how much God loves all people and how the missionaries share Jesus with them. I believe missions education for young children is a great way to let them see

God working around the world and may begin their lifelong learning of how important it is to share Jesus with others. If you would like to learn more about teaching age level missions there is a weekend at Camp Pinnacle dedicated to training women currently leading or interested in leading Mission Friends, Girls in Action, or Children in Action. It will be June 21, 400 pm—June 22, 12:00 pm. Schedule includes conferences pertaining to using curriculum, spiritual conversations with children,

ministry project ideas, and more. Lodging, meals and t-shirt are included in the price. You can find a link at [carrolltonwmu.com](http://carrolltonwmu.com) with more information.

I hope you and your church will be able to support “I Love My Community” week April 29th-May 2nd.

Thanks for all you do,  
Keri Perkins
