## From Your Associational Missionary

We have given out over 1,000 backpacks for the Christmas Backpacks for Appalachia and we are still getting calls for more! Last year we carried 1,269 backpacks to Rogersville and Copper Hill, TN and I am anticipating even more this year based upon the response so far! I look forward to seeing all those Christmas backpacks brought to Mt. Pleasant on Sunday night, October 21st for our Annual Meeting/Mission Celebration.

This year when you bring your backpack to Mt. Pleasant we will load them in the truck instead of carrying them into the sanctuary. Although it is an incredible sight to see all the backpacks around the altar and the front of the church, it becomes chaos at the end as we take the backpacks from the altar to load the truck. So when you arrive at Mt. Pleasant we will have the truck waiting for you with people there to help you unload. We will also have

someone there to get an accurate count so we can announce at the meeting how many have been collected. We are also asking that each church bring in one backpack to the celebration so that we can pray over the backpacks at the end.

Thank you for your willingness to participate in this incredible project. Last year 99 decisions for Christ were made in Rogersville and surrounding areas.

Many of you have been asking about Disaster Relief Training/Orientation for several weeks. We were finally able to schedule this for Thursday night, October 11th from 6 to 9 at Tabernacle Baptist Church. Registration will begin at 5. You will need to register online at [missiongeorgia.org](http://missiongeorgia.org). The deadline to register is October 4th. This training will be especially helpful as we prepare to send out teams to assist the folks in North Carolina following Hurricane Florence. If you are interested in working with

Disaster Relief you need to attend this orientation and training. It is required for all Disaster Relief volunteers. You can also be recertified at this training if your certification has expired. Dr. Stuart Lang, Director of Disaster Relief Ministries at the GA Baptist Mission Board, will be our trainer.

I look forward to seeing you at our Annual Meeting/Mission Celebration at Mt. Pleasant on Sunday night, October 21st at 6:00 p.m. Rev. Buck Burch, GAMB state Missionary for the Cooperative Program and former IMB missionary to Russia, will be our guest speaker. We had Rev. Burch at one of our mission conferences several years ago and he did an outstanding job. I know he will definitely challenge us.

I hope you are already planning to attend this wonderful evening. It's a great way to celebrate what God has done this past year.

Dan

The UWG BCM recently decided to redesign the leadership team structure. As with any organization that experience such regular turnovers, i.e. one quarter of the population moves on each year, these changes prove needful. Particularly the need arose to streamline the team structure. In past years we had one president with many general positions with no other up line outside of the president. Two years ago we implemented the Executive Leadership Team including four vice presidents which helped for the three main bodies of the leadership to have someone else besides just the president. This has lessened the burden on the president and extend greater leadership opportunities therein working to one of our two main goals, raising up the next generation of church leaders. These students continue to work to organize and simplify the process of their involvement to lead and pursue the Glory of God.

God Bless, Bill

shoebboxes.

#### October Mission Idea

I've shared ideas before from We Can Do That! 100+ Ways Families Can Be On Mission by Tonya W. Heartsill. One idea for October from her book suggested printing scriptures on labels and sticking them on the candy you give out if children still trick-or-treat door-to-door. You could also do that for trunk-or-treat if you have that at your church. Print verses on the labels that are simple enough for a child to understand.

Thanks for all you do,
