## From Your Associational Missionary

Let me give you one more update on our summer VBS project (Adopt-A-Verse) in John, since all the money from our churches has been received. Our goal to translate all 879 verses in the Gospel of John was \$21,975.00. We have received \$25,815.66 which is almost \$4,000.00 over our goal! To God be the Glory! That means verses in another Gospel will also be translated. But I also have some other incredible news—every dollar we have raised for this project will be matched by an anonymous donor to Seed Company. That means the amount given by our churches will be doubled resulting with the opportunity for another Gospel to be translated! Thank you for getting behind this project and making it such an incredible ministry opportunity. You are making an eternal difference in the lives of people in West Africa.

We are already discussing this Adopt-A-Verse project for our VBS mission project next year

translating the Gospel of John into a language in Asia. Since we are the first association in the country to attempt a project of this magnitude we will be evaluating how we can improve this for next year! We had 24 churches involved this year and would love to see even more next year.

As most of you are aware, Dr. White is retiring from the GA Baptist Mission Board as the Executive Director at the end of December. Dr. Thomas Hammond, Pastor at FBC, Alpharetta has recently been chosen to become the new Executive Director. Several weeks ago I asked Dr. White to come share at our Pastor/Layman Dinner on September 24th and he has agreed to come. So I am calling out all men to come hear Dr. White at Rockridge on Monday night, September 24th at 7:00 p.m. The cost for the meal is \$12.00 and it includes Ribeye steak, scalloped potatoes, green beans, salad bar, rolls, dessert,

and drink. If you attended last year you know how delicious the steak and the meal was, and what an incredible bargain it was. So gather up a large contingent of men from your church and come join us! Reservations and money are needed by Monday, September 17th.

Hopefully you have picked up your backpacks from our office and the information you need to pack one. Remember these are Christmas backpacks for Appalachia, so some of these backpacks will be the only present these children will receive. Last year 99 children and adults made decisions for Christ just in Rogersville where most of our backpacks go. Bring your backpacks to our Annual Meeting/Mission Celebration on Sunday, October 21st at Mt. Pleasant. This year we will load the truck when you arrive instead of bringing them into the sanctuary so hopefully this will save time and confusion.

Thanks for all you do!

### Baptist Collegiate Ministries

We have had a great start to the Fall Semester! We have been able to engage a good number of freshmen through different outreaches and we have had great numbers of freshmen coming through the BCM. Please pray for these freshmen as they make big decisions on how they are going to be spending their college career. Please pray for us as we continue to reach out to the campus. We have already given out 1500 invitations to our BCM opening events and have 2500 more to pass out. We have many things planned for our students this year including several Bible studies, mission trips, and our Tuesday night Worship services. College is such a pivotal time in the life of students. Please pray that our incoming freshmen would find churches or God honoring campus ministries to get plugged into. God Bless! Bill

From the WMU

September offers an opportunity to emphasize Mission Georgia, our season of prayer and offering for state missions. This year's theme is "Ageless, Touching all Generations with God's Good News". The focus verse is "To Him be glory in the church and in Christ Jesus to all generations, forever and ever. Amen." Ephesians 3:21 HCSB. The Mission Georgia Offering is an annual emphasis which supports the ministries, Missions, and evangelism work of the Georgia Baptist Mission Board. The suggested emphasis date is September, but could be done year round. The emphasis

and related material can be used anytime during the year. You can find multiple resources online at [missiongeorgia.org](http://missiongeorgia.org). There are available videos, a prayer guide, Bible Study lessons for all age groups, and an Impact Fact Sheet. Other items can be ordered such as posters and offering envelopes.

**Missions Planning**  
I would like to plan a meeting with our women mission leaders and other women in our churches interested in helping work on some ideas for the next year. We could talk briefly about the new

theme and Project Help emphasis. I want to hear your ideas for our women's missions in the association. I would love to have you involved in what we plan. I'm considering a weeknight during the first or second week of October. If you can, go to our website [www.carrollton.wom.com](http://www.carrollton.wom.com) and fill out the Response Form.

Thank you for all you do,
