From Your Associational Missionary:

On January 12th, Elevate Church in San Diego celebrated its 5th anniversary. Elevate is a church plant by Midway and is doing a wonderful job of reaching the lost and unchurched in the Torrey Pines community just north of San Diego. Kevin Campbell, former youth minister at Midway, and his wife, Susan, had a real burden for San Diego and headed out with a team from west Georgia to plant a church. Our association has partnered with Midway to help assist this church through monthly support, prayer, and sending out mission teams. It's been a great partnership and it was exciting for Donna and me to travel out to San Diego on January 11th to be a part of their 5 year anniversary celebration. It was wonderful to see Kevin and Susan and their family; Thomas and Mary Davis (Thomas is the worship leader) and their family; and Simeon Rogers. We were also able to

see and visit with Chris and Kelly Reynolds, Brittany, Ellenor, and Angie who were part of the original team and have now moved back to Georgia. It was also great to renew friendships with many who are now members of Elevate.

In 5 years Elevate has seen over 150 decisions for Christ. In fact there were three decisions made during the service. God has given Kevin and his ministry team a heart for their community and He is moving in the hearts and lives of the people there. Elevate's goal for the next 5 years is to see 1000 passionate followers of Christ. They are making a difference where they have been planted and I believe with God's leading and in His power they can reach that goal.

Thank you for your support and partnership of our Association. When you give to the association, you are giving to support Elevate. If you would like to see a video about those 5 years go to

www.elevatesandiego.com. You will also be able to watch one of their services. What a joy to see God at work!

Continue to be in prayer for our Rockridge Director search team. As most of you are aware, David Jackson has retired after serving 5 years as Director. He continues to check on the camp each day and take reservations, for which we are very grateful, until we hire a new director. Our search team has received several resumes and we are asking that you pray for wisdom, discernment and God's direction as we move forward in the process. We want God's man to fill this important ministry in our 3 associations. And if you happen to run into David Jackson, let him know how grateful you are for his time of ministry there.

From The WMU

Let's Celebrate!

Please make plans to join us as we celebrate...

**WMU 125th Anniversary
February 15
10:00-12:00**

Tabernacle Baptist Church
(enter through the TLC-life center/gym)

The celebration will begin just a few minutes after 10:00 with some trivia (and prizes). Rosalie Hunt will share about our rich history and women who have made a difference.

Please bring your age-level groups too (Gas, RAs, Children in Action, Acteens, Youth on Mission). We will have a ministry activity they can help us with after Rosalie shares with us all.

Reservations do not need to be made but if you could give us an idea of how many may come that might be helpful. Please find contact information below.

Our ministry we will be collecting for is Touch Tomorrow Today Endowment in Georgia. Once the endowment reaches \$10,000, an annual distribution is split between the state and national WMU. The state WMU can use its portion any way it needs to continue its missions and ministry efforts. Some possibilities include: scholarships; innovative approaches to missions discipleship; support of missionaries and families; developing missions partners; pilot projects; mis-

sions camping; hosting special events, sponsoring mission trips, etc.
