From Your Associational Missionary:

Sheldon Livesay of One Accord Ministry, recently sent a letter expressing gratitude and appreciation for the food collected during VBS. Let me share some of it with you. "It's not often anymore that we become totally overwhelmed by a group effort, but we were both amazed and overwhelmed when we began receiving food drives from some of the 48 churches in the Carrollton Baptist Association. AM Dan Dockery brought 750 pounds this week and Mt. Pleasant brought more when they came to work for

a total so far of 1,015 pounds. Rev. Dockery also passed on your checks and coins to purchase food. Every penny is used towards the purchase of food.

We want to express our sincerest thanks to each of you on behalf of your food drive to supply food for this Appalachia region of East Tennessee. We thank you on behalf of all these that will be served through your effort.

Your help really makes a difference and every can counts. You will be helping those in need whose aver-

age family income is \$600 a month."

Thank you for making this your Mission Project for VBS. You are making a difference. And in September we will begin another project for this area—Backpacks for Appalachia which will be collected at our annual meeting in October. Dan

UPDATE: As of 7/22/13, the CBA has carried over 2100 lbs of food to Rogersville, TN

Baptist Collegiate Ministries

We have a need at the BCM. Two years ago we had several pine trees cut down on our property by a Georgia Baptist Disaster Relief team. So many of you have helped us cut up and remove the trees from our property. We are so grateful to everyone who helped with this project! We are beginning to dream

about what we could do with the area where the trees stood. We are hoping to create a prayer garden in this space. In order to prepare the area we need someone with a stump grinder to come and remove our 6 tree stumps. If anyone could help us with this it would be much appreciated. You can contact us at 770-834-7588 or

at bcmuwg@gmail.com. Please pray for our ministry. We will have what the University says is a record number of freshmen. Please pray that we would be able to make an impact with this group for the Kingdom!
God Bless, Bill

Pease Join Us

You will not want to miss our Women's Mission Event, Saturday, August 24 at Midway Macedonia. We will hear from a great speaker Kay Bennett from New Orleans' Baptist Friendship House. You'll have a chance to learn more about our age-level groups or learn about an unreached people group our association is praying for—the Makian Timur. We will also have information to share with you about helping local ministries. **Find more information at www.carrolltonwmu.com.**

PrayerWalk Schools

We hope you will continue as you have done in the past to prayerwalk local schools as the school year begins. Some of you may even decide to adopt a school.

Find more information on our website carrolltonwmu.com.

Christmas in August

Your mission group can directly help a North American missionary with items needed for ministry and outreach. The North American Mission Board and national WMU partner in choosing the missionaries who then provide a list of items they wish to receive. Mission groups gather the requested items and send them to the missionaries. Started in 1927 by a group in Charlottesville, Virginia, Christmas in August has grown to be a national ministry each year. You can participate by praying, choosing a missionary, gather your supplies, mail your packages, and pray for how your items will be used. You can find lists of missionaries for

Christmas in August at www.wmu.com. You may even want to plan a Christmas fellowship in your church during the month as you prepare to send your items to your selected missionary.

Celebrate 125

A yearlong celebration of the 125th anniversary of WMU kicked off in June at the WMU Missions Celebration prior to the Southern Baptist Convention in Houston. The Story Lives On is the theme for the year focusing on how the gospel story is at the very core of WMU and the reason we do what we do. Think about ways you might celebrate missions in your church this year.

Thanks for all you do,
