

Carrollton Baptist Association Striving to be an Acts 1:8 Association

June
2012

From Your Associational Missionary...

During Project Pray, 31 schools in Carroll and Heard counties were ministered to and prayed for by the churches in our association. Also, many fire stations, police departments, and government offices were ministered to as well. I am grateful for all of our churches who participated, served, and prayed for the people who work so diligently and faithfully in these areas. And I am grateful we had an opportunity to say "thank you" for all they do in our community.

We concluded Project Pray with something different—a Prayer Rally on the National Day of Prayer at the new Carrollton Amphitheater. In spite of the rain and the lightning and thunder before the event, between 150-175 people came out to pray for our city and county, state and nation. Special thanks to Mike Jiles, Minister of Music at Waco Baptist, who played his trumpet and led our music; Pastor Daniel Pina, pastor of Iglesia Bautista Tierra Santa, who led our opening prayer in Spanish and brought many from his congregation; Pastor Bradley Bell, pastor of FBC Carrollton who led our prayer for our city and

county; Pastor Evett Guyton, pastor of Mount Holly Church, who led our prayer for our state; Pastor Stephen Peeples, pastor of Roopville Road, who led our prayer for our nation; and to Dr. Harris Malcom who was our guest speaker. It was a wonderful evening and I am grateful to the city of Carrollton and to Main Street Carrollton who allowed us to use this beautiful venue before it opened. We are already planning for next year—Thursday, May 2nd, 2013.

In June several of our churches will be involved in a local mission project called SPLASH—SPLASH is an event that will bring churches together for a time of worship and praise—Sunday and Wednesday nights, and a time of working together to meet many needs in our community. Chris Altman, Minister to Students at Roopville Road, and the Youth Director of the Association, and several other youth ministers have been working together to plan this *Mission Serve* event for June 3rd-6th. Youth and adults will be working on several projects that have been shared by local schools and agencies. It will be exciting to see churches coming together to make a difference in our community.

Children's Camp at Rockridge is

June 25th-28th. Rockridge Camp Manager David Jackson reports that on average, over 100 campers are saved during the summer weeks of camp. He recently shared that over 5000 professions of faith have been made over the last 50 years at Camp Rockridge. Sounds like a great investment in your children's future. I hope you are making plans to send many children ages 9-12 or grades 4-6 to this wonderful week at Rockridge. Justin Richards, Camp Pastor, and Angie Presnal, Camp Director, are planning a great week and I am looking forward to seeing what God is going to do in those precious lives. Encourage your children to come be a part of this week.

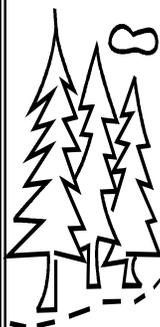

One final word. Two weeks ago we purchased the framing materials for a fourth home in Trenton. Because of your generous gifts we have been able to help rebuild at least 6 homes in Ringgold and Trenton. Thank you for making a difference. Dan

Baptist Collegiate Ministries

I hope you are having a great summer! We would like to thank our intern David Dockery for a great year! David did an excellent job this year, and he will be missed as he moves to the next phase of his life.

We are working hard to try to improve the facilities at the BCM. One thing that we are in need of, but do not have the money for is a sound board. Our current board is well over 20 years old

and is getting to the end of its life. If anyone has an extra Sound Board that they are no longer using and could donate please let us know.

God Bless, Bill

Note to Pastors:

We will have only one Ministers' Luncheon for the month of June. We will meet at Rockridge Baptist Assembly the week of Children's Camp—Wednesday, June 27th. Please call the office by Monday, June 25th if you are planning to attend so a meal can be prepared for you.

From the WMU...

It was exciting to see quite a few women from the Carrollton Association at the Georgia Baptist Women’s Spring Event at Callaway recently. We enjoyed hearing messages from Shaun Pillay and Anne Graham Lotz. Shaun Pillay was one of the missionaries we prayed for during the Week of Prayer for North American missions. He reminded us that there should be no boundaries to God’s call. He challenged us to “cross our backyard”, to reach out to others sharing the love of Christ. Anne Graham Lotz shared a message reminding us to keep our focus on Jesus. We should not let our busyness crowd Him out. Worship is important. It should be a priority before we work and serve.

I was able to go to some wonderful conferences. One was led by Tom Blackaby. He shared about the example we see in Jesus showing love and concern for others. Jesus’ love...shows mercy, tells the truth, disregards the critics, sees value where others don’t, is moved by compassion and is not afraid to confront wrongs. He also wanted us to think about the following questions, do we care for one another, and, are our programs more important than the people? Another conference I attended was led by Mary Laughman, Georgia WMU President. She has been helping in the development of a prayer website, www.oneinprayer.net. This website is a wonderful resource for us. Mary wants us to make

prayer a priority. Please look at this website. Articles change weekly.

I also had the opportunity to hear more about our Project Help: Human Exploitation. It was a meaningful weekend. I hope you will consider going next year. It will be held at Callaway again, April 19-20, 2013.

Upcoming State Event:
Georgia Vision Tour—A progressive mission trip including Georgia missionary connections and hands-on projects. June 5-9. You may join one of the projects for one or more days. Please see georgia.wmu.org for more information. Click on Events.
